

Canadian, Elite Master & Atlantic Hairstylist of the Year

MARJORIE CLARKE

Winner of three awards in one night, Newfoundland native Marjorie Clarke was thrilled to take home what she quipped was her first hat trick. Inspired by the belief that stylists should always be true to themselves, her collection—titled Elegance—focuses on monochromatic colours and precision styling with clean shapes and lines. “It’s about bringing out the absolute potential in every person who sits in your chair and the potential in yourself,” said Clarke, soon after accepting her third and final award of the night. ▶
